Flying in for the GLMM?

There are three International airports within an approximate hour radius of the Suburban Collection Showplace. All are far enough away that you will probably wish to rent a car to get around during the show weekend. When comparing flight prices, you may want to compare between airports, as that often affects pricing!

- Detroit Metropolitan Airport (DTW) is the closest airport to the Showplace
- approximately 35-40 minutes by car.
- Flint - Bishop International Airport (FNT) is the next closest airport
- approximately 45-50 minutes by car.
- Lansing - Capitol Region International Airport (LAN) is the next closest
- approximately 65-70 minutes by car.
